Ferlinghetti:
Painter, Poet,
and Publisher
8/3/2023-11/1/2023

Lawrence Ferlinghetti: Painter, Poet, & Publisher salutes one of the rare individuals who could rightfully claim the title of Modern Renaissance Man. He was regarded as one of the country's leading poets, a renown novelist, a fearless publisher, founder of City Lights Booksellers in San Francisco, and one of the leading voices for peace in an increasingly violent world.

Lawrence Ferlinghetti was more than a Bay Area institution, he was a force of intellect and artistry, whose list of accomplishments seemed to defy the limitations of most individuals.
